Signature Sponsorship Opportunities
You can make an important difference in women’s lives
Our needs always exceed our resources; your donations will help us to respond to the growing needs of the Centre, and improve the quality of life for women and children in Vancouver’s Downtown Eastside.

Food Program

The Centre provides over 500 nutritious meals each day. These meals support women to stabilize their health through food security and can lead to increased focus on critical issues such as housing and family.

With your sponsorship, we can prepare daily meals along with special national or cultural holiday meals, providing a community celebration for women in Vancouver’s Downtown Eastside.

**Holiday Meal - $1,200**
Includes either roast beef, turkey, or salmon, along with 2 seasonal vegetables, bread, and dessert.

**Chicken Dinner - $700**
One of our most popular meals, this includes a quarter chicken serving, 2 seasonal vegetables, bread, and dessert.

The Drop-In Centre

Thanks to the generosity of our donors, our Drop-In Centre provides services to over 350 women and children each day. The Drop-In Center provides hot meals, safe, clean bathrooms and showers, access to clean clothes, and support services. Most importantly, women have a safe place to connect with other women, leading to community building and lasting friendships.

It’s donors like you who provide the additional $200,000 needed to meet the needs of the Drop-In Centre Food Program.

Skills Development Program

Over 12,087 volunteer hours are contributed to Downtown Eastside Women’s Centre each year by women who access our Services. While the Skills Development Program facilitates women’s contribution to Drop-In and Emergency Shelter operations, participants are also empowered with skills such as First Aid, life skills, customer service, and Food Safe.

We need your help to meet the $53,000 budget, and your contribution will make a lasting difference for women striving to achieve their full potential.
