About DEWC

The Downtown Eastside Women's Centre exists to support and empower women and children living in extreme poverty in the Downtown Eastside of Vancouver. High levels of violence, homelessness, addictions and poverty characterize this community where women and children are particularly vulnerable to exploitation, injustice and injury. Through the Drop-In Centre and Emergency Night Shelter, we provide practical support to over 500 women and children daily to survive the conditions of ill health and violence that surround them.
